

*Under the auspices of the Italian Government:
residency of the Council of Ministries and the Ministry of
Environment*

EUROPEAN CONFERENCE

organized by: Centro Studi Galileo and Italian Association of Refrigeration Technicians

OFFICIAL LANGUAGES: ENGLISH/ITALIAN - SIMULTANEOUS TRANSLATION

**TECHNOLOGICAL INNOVATIONS IN REFRIGERATION AND AIR CONDITIONING
TO OVERCOME ENVIRONMENTAL ISSUES AND THE ENERGY CRISIS
WITH REFERENCE TO**

**THE FUTURE OF REFRIGERANTS, NEW COMPONENTS AND NEW SYSTEMS:
THE REVIEW ON THE EUROPEAN REGULATION 842/06 ON FLUORINATED GASES.**

**FGAS CERTIFICATION FOR COMPANIES AND PERSONNEL - TRAINING IN EUROPE AND ITALY FOR
REFRIGERATION AND AIR CONDITIONING CONTRACTORS**

Friday 30th March 2012 from 9,30 to 14,00

Mostra Convegno Expocomfort: Milan (Italy) - Sala Martini, Centro Congressi Stella Polare

Programme:

Low GWP refrigerants (ammonia, hydrocarbons, CO₂, HFO)
The future of natural refrigerants and refrigerants with low environmental impact
The development of new components and new systems
Renewable Energy in refrigeration and air conditioning, heat pumps
Review of the European regulation 842/06 on HFC fluorinated refrigerant gases
HFC presentation of AREA position in Europe
European and Italian decree on HFC refrigerants (R134a-R410A-R407C..)
European and Italian F-Gas Certification
Periodical inspections – Leak check – Logbook
Online register of companies and personnel, refrigerant only to qualified personnel

Presidents and Speakers:

Prof. Alberto Cavallini – Università di Padova
Prof. Ennio Macchi – Politecnico di Milano
Didier Coulomb – Istituto Internazionale del Freddo IIF
Prof. Marco Masoero – Politecnico di Torino
Marco Buoni – Vice Presidente AREA, Segretario ATF
Ezra Clark – United Nations Environment Programme UNEP
Riccardo Savigliano – United Nations Industrial Development Org. UNIDO
Andrea Voigt – President European Partnership for Energy and the Environment EPEE
Kelvin Kelly – Business Edge; Ing. Corradi - Università di Padova; Prof. Tagliafico - Univ. Genova; Prof. Panno - Univ. Palermo; Oskar Zorzi – APA - Associazione Provinciale dell'Artigianato di Bolzano; Aylin Gel – ESSIAD – associazione turca

Round Table with firms and certification bodies

Bureau Veritas - IMQ - Rivoira - Honeywell - Carel - Embraco – Daikin - Testo - Wigam

Complimentary pass provided
